GROUP

**NOVEX**  
GROUP

The Novex Group, established in 2023, has quickly made a significant impact on Azerbaijan's food sector. Our businesses, though relatively new, are committed to delivering a wide range of superior, eco-friendly products and exporting them to international markets. Our holding includes the leading food producers in the country: the state-of-the-art Gabala Canning Plant, Guba Canning Plant, and Lankaran Canning Plant.

Notably, the Gabala Canning Factory, a division of the Novex Group, is the authorized bottler for PepsiCo.

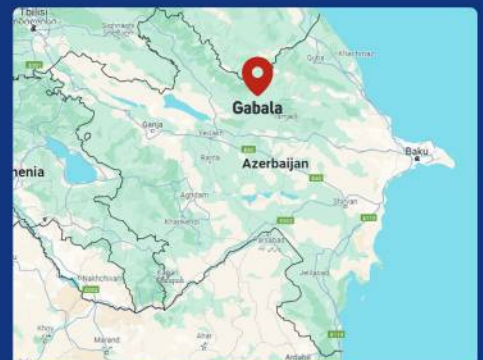

**Gabala  
Canning  
Factory**

# Lankaran

CANNING FACTORY

## LANKARAN CANNING FACTORY

Located in the gorgeous city of Lankaran, one of Azerbaijan's most beautiful regions, our factory produces some of the highest quality compotes in the country. These compotes are among our top exports.

Moreover, our tomato paste, pomegranate sauces and syrups are renowned for their exceptional quality and flavor, standing out as the best in their segments. We proudly source all the fruits and vegetables used in our products exclusively from local farmers, ensuring they meet the highest quality standards.

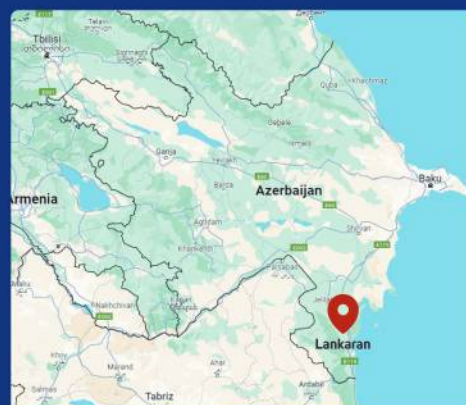

Operates from  
**2003**

Covered area:  
**2 ha**

Annual production capacity:  
**1200000 ton**

Manufactured products: compotes, pomgranate sauces, tomato paste and syrups.  
Worldwide export: Russia, Georgia, Kazakhstan, USA, Canada, New Zealand, UAE, Germany

# EXTRA FEATURES

In addition to the packaging options featured in our catalogue, we offer "Private Label" and customized packaging solutions tailored to our customers' specifications. Whether it's a unique product label design, a specific packaging format, or a custom recipe, we can accommodate your needs.

Note: "Your Brand" and the name of the jam will be displayed on the jars in the respective languages. These translations will then be mentioned on the label.
